

## **“Reid-y to Swim” – A Lifesaving Legacy**

### **About the Program**

Created in memory of **Gavin Reid Hansrote**, a vibrant and adventurous young boy whose life was tragically lost in a drowning accident. The “Reid-y to Swim” program was established to honor his legacy through action, education, and prevention.

### **Our Mission**

To equip children with essential **swimming skills and water safety education** to prevent drowning and promote confidence in and around water.

### **Why It Matters**

- Drowning is a **leading cause of accidental death** in young children.
- Many of these tragedies are **preventable** with proper training and awareness.
- We believe **every child deserves access** to life-saving swim lessons.

### **Program Highlights**

- Free swim lessons for children in underserved communities
- Community water safety events and awareness campaigns

### **How You Can Help**

- **Donate** to support swim lesson scholarships
- **Sponsor a swimmer** or a local class
- **Volunteer** at events and training sessions
- **Spread the word** about water safety
